

The Joint Committee on Vaccination and Immunisation (JCVI) advice on priority groups for COVID-19 vaccination

The age-based prioritisation for the COVID-19 vaccine will include **around 99% of people at risk of dying** from the disease

- 1.** residents in a **care home** for older adults and their carers
- 2.** all those **80 years of age and over** and frontline health and social care workers
- 3.** all those **75 years of age and over**
- 4.** all those **70 years of age and over** and clinically extremely vulnerable individuals

- 5.** all those **65 years of age and over**
- 6.** all individuals aged **16 - 64 years with underlying health conditions** which put them at higher risk of serious disease and mortality
- 7.** all those **60 years of age and over**
- 8.** all those **55 years of age and over**
- 9.** all those **50 years of age and over**
